

Our SJRCS theme for the 2010-2011 school year is
"Be a Sower of God's Peace."
In Mrs. Cutchin's art classes, all students in grades K-8
and Pre-K, decorated pinwheels with drawings, paintings,
and writings that expressed peace, tolerance, and harmony.
They were "planted" in front of the school on September 20th
for a global peace project called "Pinwheels for Peace"
in recognition of International Day of Peace.

*Be a Sower
of
God's Peace*

Annual Fund 2010-2011

Dear Friends of St. John Regional Catholic School,

What does it take to be a contributor to today's society? Honesty, respect, responsibility, self-control, hard work, concern for others, and tolerance, are just a few of the values we instill in our students at St. John's. All of these values go hand in hand with this year's theme "We are Sowers of God's Peace." Our students realize that in everything they do, being a peacemaker is a value that is part of their everyday lives. By practicing these values, all children will have an opportunity to make a difference in the world.

St. John Regional Catholic School has been blessed with a National Blue Ribbon award for academic excellence, caring and nurturing teachers and staff, and a strong spiritual community. St. John's is so well respected in the Frederick community that many families want to attend our school. Our goal is to keep SJRCS affordable and make it accessible to students of varying economic means. It is essential that we continue to provide financial aid that is adequate for the need. Our goal for this year's Annual Fund, as it has been in the past two years, is to increase our ability to provide financial assistance to students of need. Last year, we raised nearly \$18,000 that helped several families. But for many, it still wasn't enough. We need to do more.

We hope you can help. We know it will be a tremendous sacrifice, especially in these economic times. However, the reward will be exceptional. Each day, you will carry with you the knowledge that a young boy or girl has been given an incredible gift – the finest education available – an education that only SJRCS and you can provide. Join with us and Be Sowers of God's Peace by prayerfully considering a contribution to the 2010-2011 Annual Fund.

With gratitude,

Karen Smith
Principal
